

# Highland General - Retail Shop Insurance Policy

Policyholder: Hilltop Hardware, Kandy, Sri Lanka

Policy number: HG-RTL-2026-1172

Policy period: 1 March 2026 to 28 February 2027

## Section 1 - Fire and Allied Perils

We will pay for loss or damage to the shop building, shelving, fixtures and stock caused by fire, lightning, explosion or accidental smoke damage. Paint, thinners, gas cylinders and other flammable stock are covered only if they are stored in a separate fire-rated store room, away from the sales floor. Damage from fires caused by illegal electrical connections is not covered.

## Section 2 - Theft, Burglary and Shoplifting

Theft of stock and fixtures is covered after forcible and violent entry into the shop outside opening hours. Shoplifting during opening hours is covered only if the CCTV system was working and the theft was reported to the police within 24 hours, up to LKR 250,000 in any one year. Cash in the till is covered up to LKR 50,000. Stock found missing at a stock count with no sign of theft is excluded.

## Section 3 - Public Liability

We will cover your legal liability for accidental bodily injury to customers and visitors in the shop, for example injury from falling stock, heavy goods or a wet floor. The limit is LKR 5,000,000 for any one event. Injury caused by products you sold after they have left the shop, and advice given about how to use tools, is excluded.

## Section 4 - Goods in Transit

Goods carried in your own delivery van to customers within the Central Province are covered against loss or damage from an accident, fire or theft of the van, up to LKR 300,000 for each journey. Goods left in an unattended vehicle overnight are not covered. Goods sent by courier or post are not covered.

## Section 5 - Business Interruption

If the shop has to close because of damage covered by the fire cover above, we will pay the loss of gross profit for up to 60 days. Closure caused by a landslide, road closure or a government order is excluded.

## Section 6 - General Exclusions

This policy does not cover loss or damage caused by flood, landslide or earth movement. It does not cover losses from cyber attacks, hacking, data breaches, or the theft of customer details from the online store. Card payment fraud, chargebacks and online payment scams are not covered. Breakdown of the POS system, CCTV or other electronic equipment is not covered. Injury to employees must be insured under a separate workmen's compensation policy.
